Georgian Bar Association (GBA) Member

## PROFESSIONAL PROFILE

A distinguished legal practitioner with over 10 years of experience navigating the intersection of traditional law and modern digital challenges. Specialized in Civil and Administrative litigation, Data Protection (GDPR/DPO), and the legal frameworks of emerging technologies like AI and Blockchain.

## PRACTICE AREAS

### Legal Advocacy

Expert representation in civil and administrative disputes, with a strong focus on children's rights and human rights advocacy.

### Data Protection (DPO)

Professional DPO services, ensuring organizational compliance with global privacy standards (GDPR) and local regulations.

### Law & Technology

Legal strategies and ethical consulting for Artificial Intelligence, FinTech, and innovative digital governance.

## CREDENTIALS & EXPERTISE

### LL.M. in Digital Governance

Master of Laws focused on Innovation, Digital Governance, and the evolving legal landscape of the tech industry.

### Certified Professional Trainer

Instructional expertise in Data Privacy, GDPR compliance, and legal ethics for professional organizations.

### Media Law Committee

Active member of the Media Law Committee since 2018, contributing to the development of modern media regulations.
